## STOP GAZA GENOCIDE ACTION TOOLKIT

Your voice matters. It's extremely important to pressure Congress to stop the killing. Thank you for taking action with me.

### **3. Protest & KEEP PROTESTING: [uscpr.org/protests](https://uscpr.org/protests)**

**[Find a protest near you.](#)** Text and invite all your friends. Ask everyone in attendance to complete one of the above action tools on the spot.

**NEW: No business as usual!** Organize your own protest to hold your members of Congress accountable. Hold a [sit-in](#) or [pray-in](#) based on recent examples, using [organizing resources](#). Keep up the pressure!

### **[Print protest signs to take along.](#)**

These [protest signs](#) are all publicly available and free to use. Just download and print! You'll find USCPR protest signs, as well as a variety of signs created by artists who've granted their permission for printing them for protests. Also see the protest art collection [bit.ly/Pal-Art](https://bit.ly/Pal-Art).

### **4. Pressure your members of Congress on social media**

Has your representative signed on to the **#CeasefireNOW** resolution yet? [Check here](#). If not, copy/paste the message below, inserting your rep's Twitter or Instagram handle.

Hi [\[@handle\]](#): As your constituent, I'm urging you to demand a #CeasefireNOW

Palestinians in Gaza are living through genocide as Israel bombs, starves, and displaces them. Their lives are on the line with every passing second

Stop the killing! Speak up now!

**5. NEW: Sign up for action alert texts**

Make sure you're plugged in to the most critical updates in real time. With so much censorship on social media, getting texts sent directly to your phone is the fastest way to find out about new action alerts.

[Sign up at \[uscpr.org/SMSactions\]\(https://uscpr.org/SMSactions\).](#)

**6. NEW: Look up: How much of your community's tax dollars fund Israel's violence?**

Every year, the U.S. government writes Israel a blank check for at least \$3.8 billion. With your federal U.S. tax dollars, the Israeli military is bombing Gaza and wiping out entire Palestinian families right now.

How much do people in your city pay through federal tax dollars? What could be funded instead? Find out above on the **U.S. Military Funding to Israel map**, and demand Congress **#StopArmingIsrael**.

[See the map at \[uscpr.org/MilitaryFunding\]\(https://uscpr.org/MilitaryFunding\).](#)

**7. NEW: Boycott, Divestment, & Sanctions (BDS)**

Modeled after anti-apartheid organizing in South Africa, BDS tactics are a time-honored strategy to achieve Palestinian rights. See this updated graphic on complicit companies to boycott.

## **ABOUT THE US CAMPAIGN FOR PALESTINIAN RIGHTS (USCPR)**

USCPR is a political home for all who believe that freedom for the Palestinian people is an integral part of achieving our collective liberation. We provide resources and strategic support to the U.S.-based Palestine solidarity movement, channeling grassroots power into positive change in U.S. policy and public opinion. We work with local organizers and activists, policymakers, movement leaders, media, and advocacy organizations to advance a rights-based, accountability and justice-oriented framework from the U.S. to Palestine.

**MISSION:** As part of a global movement for collective liberation, we work to end U.S. complicity in Israel's massive violence against the Palestinian people.
